ISIA TUNABLE WHITE

Estudios sobre los ciclos circadianos demuestran que los cambios de temperatura de la luz natural desde el amanecer hasta el anochecer, influyen sobre el bienestar de las personas. Conseguir reproducir los mismos tonos de luz en entornos cerrados, como oficinas, hospitales y aeropuertos, puede ser beneficioso para las personas. Nuestras PCB Tunable White junto con sus controladores permiten la mezcla de luz cálida y luz fría, permitiendo reproducir todas las temperaturas desde 2700K hasta 6500K.

Studies on circadian cycles that affect natural light temperature changes from dawn to dusk influence people's well-being, getting to reproduce the same light tones in closed environments, such as offices, hospitals and airports, can be beneficial for people. Our Tunable White PCB together with its controllers allow the mixing of warm light and cold light, can reproduce all temperatures from 2700K to 6500K.

CRI (Chromatic Reproduction Index) CRI (Índice de Reproducción Cromática)

The color rendering index of a light is a measure of its ability to reproduce the colors of various objects faithfully in comparison with an ideal or natural light source. Capacidad para reproducir los colores en comparación con una fuente de luz natural.

IK DEGREE GRADO IK

IK ratings are defined as IKXX, where "XX" is a number from 00 to 10 indicating the degrees of protection provided by electrical enclosures (including luminaires) against external mechanical impacts. The IK rating scale identifies the ability of an enclosure to resist impact energy levels measured in joules (J).

Las clasificaciones IK se definen como IKXX, donde "XX" es un número del 00 al 10 que indica los grados de protección proporcionada por las envolventes eléctricas (incluidas luminarias) contra elementos externos impactos mecánicos. La escala de clasificación IK identifica la capacidad de una carcasa para resistir niveles de energía de impacto medidos en julios (J).

IK DEGREE GRADO IK	IK 00	IK 01	IK 02	IK 03	IK 04	IK 05	IK 06	IK 07	IK 08	IK 09	IK 10
ENERGY (J) ENERGÍA (J)	--	0.15	0.2	0.35	0.5	0.7	1	2	5	10	20
MASS & HEIGHT MASA Y ALTURA	--	0.2Kg 70mm	0.2Kg 100mm	0.2Kg 175mm	0.2Kg 250mm	0.2Kg 350mm	0.5Kg 200mm	0.5Kg 400mm	1.7Kg 295mm	5Kg 200mm	5Kg 400mm

PROTECTION RATE GRADO DE PROTECCIÓN

Protection rate against dust and water. Resistencia del artículo a la entrada de partículas externas como polvo y agua.

- Zona 0 IP67 / IP68
- Zona 1 IP45 / IP55 / P65
- Zona 2 IP44 Como mínimo / At least
- Zona 3 Sin requisitos especiales / Without special requirements

	Protection of the installation with double isolation wire Protección de la instalación con doble aislamiento de los cables		Hold time Tiempo de espera
	Luminaire for protective low voltage (SELV) Luminaria para muy baja tensión de protección (MBTS)		Mounting height 6 m Altura de montaje 6 m
	Easily painted Pintable		Automatic On/Off Encendido automático
	Trimless Acabado invisible		Detection zone Zona de detección
	Rotating Rotatorio		Light sensor Sensor de luminosidad
	Tilting Basculante		Time Tiempo
	Cutting hole Agujero de corte		Emergency Emergencia
	Dimmable Regulable		Antiglare Antideslumbramiento
	Beam angle Ángulo de apertura		Detection angle Ángulo de detección
	Shade Pantalla		Radar sensor Sensor radar
	Mounting positions posición de montaje		Solar charge Carga solar
	Ceiling mounting Montaje en techo		Bluetooth Bluetooth
	Wall mounting Montaje en pared		Stepless dimming Dimado progresivo
	Floor mounting Montaje en suelo		RGB RGB
	Ceiling and wall mounting Montaje en techo y pared		Remote control Mando a distancia
	Recessed mounting positions Posiciones de montaje en empotrables		Speaker power Potencia de los altavoces
	Ceiling recessed mounting Empotrable para montaje en techo		Playback/Lighting time Tiempo de reproducción/alumbrado
	Wall recessed mounting Empotrable para montaje en pared		Touch control Botón táctil
	Floor recessed mounting Empotrable para montaje en suelo		3, 4 or 6 Steps dimming 3, 4 o Intensidades
	Ceiling and wall recessed mounting Empotrable para montaje en techo y pared		USB output Salida USB
	CCT - Correlated Color Temperature CCT - Rango de temperatura de color		60 minutes timer Temporizador 60 minutos
	Wireless & USB charger Cargador inalámbrico & USB		Different color temperature Distintas temperaturas de color
	Voice control Control por voz		The driver is incorporated into the luminaire. El driver está incorporado dentro de la luminaria.

ACCESSORIES ACCESORIOS

SMART LIFE

WIFI technology

Smart life, smart living...

- Remotely control home appliances from anywhere.
- Add and control multiple devices at once with one App.
- Voice control via Amazon Echo and Google Home.
- Interworking of multiple smart devices. Devices automatically start/stop working based on temperature, location and time.
- Easily share devices among family members.
- Receive real-time alerts to ensure safety.
- Easily and quickly connect Tuya Smart App to devices.

Vida inteligente, vida inteligente...

- Controle de forma remota los electrodomésticos desde cualquier lugar.
- Agregue y controle múltiples dispositivos a la vez con una aplicación.
- Control de voz a través de Amazon Echo y Google Home.
- Control de múltiples dispositivos inteligentes. Los dispositivos comienzan / dejan de funcionar automáticamente según la temperatura, la ubicación y la hora.
- Comparta fácilmente dispositivos entre miembros de la familia.
- Recibir alertas en tiempo real para garantizar la seguridad.
- Conecte fácil y rápidamente la aplicación inteligente Tuya a los dispositivos.

COMPATIBLE

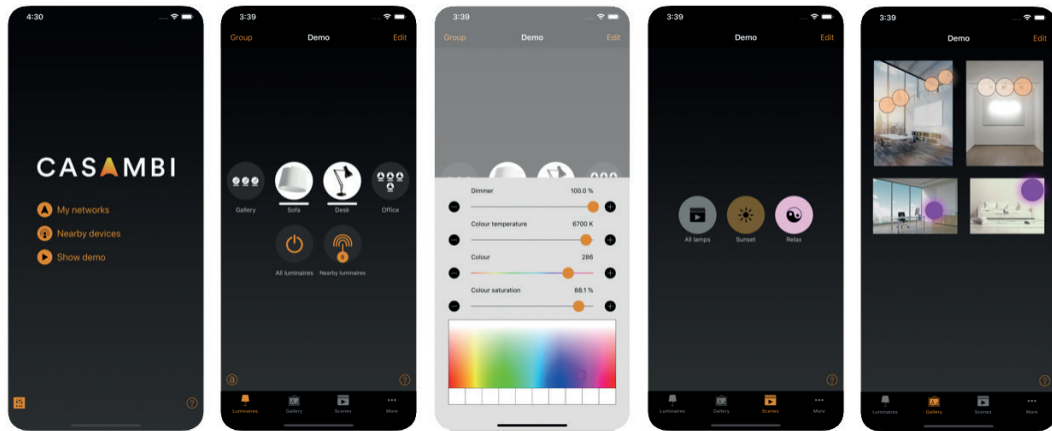

ACCESSORIES ACCESORIOS

CASAMBI

BLUETOOTH technology

The Casambi app is the easiest and most natural way to control your lights. With the app you can control both Casambi enabled lighting fixtures and Philips Hue bulbs. The first time use has been made easy and intuitive. With one tap you are ready to control your lights.

Controlling all your lamps from one view: With the Casambi app you can control all your lighting fixtures with one view. It is possible to control your lights individually or as a group. For example you can create a group of your kitchen, office or shop lights and turn them all off / on with just one tap. Or you can dim the living room lights to pleasant light level for a movie.

Control your lights from a photo: The Gallery in Casambi app is the most natural way of controlling your lights. Take a picture of your room(s) and place the lamp controls over the lighting fixtures in the picture. Now you can control your lighting fixtures visually right from the picture.

Create scenes for different lighting situations: You can create different scenes for different occasions. Set the lights just right for dining, office environments or shop promotions and save the settings in a scene. Now you can change the lighting with one tap for different occasions for example a dinner party or a meeting with a customer.

Share your network and allow other devices to control your lights: Casambi has four different levels for sharing and access control. You can decide if your network is open to everyone or if other users need a password to access your network. If you have several users and devices using the same network, all the changes made with one device will be automatically updated to the other devices with Casambi cloud service.

La app Casambi es la forma más sencilla y natural de controlar tus lámparas. Con ella podrás controlar tanto los dispositivos habilitados con la tecnología Casambi así como bombillas Philips Hue. La puesta en marcha se realiza de forma fácil e intuitiva. Simplemente con una pulsación estarás preparado para controlar toda tu iluminación.

Controla todas tus lámparas a través de la misma interfaz: Con la app Casambi podrás controlar todas tus lámparas desde la misma pantalla. Es posible controlarlas individualmente o por grupos. Por ejemplo, puedes crear un grupo con las lámparas de tu cocina, oficina o tienda y encender/apagar todas ellas con una única pulsación. También puedes regular las lámparas de tu salón fijando un nivel de luz agradable para ver una película.

Controla tus lámparas desde una fotografía: La Galería en la app Casambi es la forma más natural de controlar tu iluminación. Toma una fotografía de tu(s) estancia(s) y coloca los controles de lámpara sobre ellas en la fotografía. Ahora puedes controlar tus lámparas visualmente desde la propia fotografía.

Crea escenas para distintas situaciones: Puedes crear varias escenas para diferentes ocasiones. Establece la iluminación adecuada para una fiesta, entornos de oficina o promociones de una tienda y guarda la configuración en una escena. Ahora puedes cambiar la iluminación con una única pulsación para adecuarla a diferentes situaciones, por ejemplo, una cena o una reunión con un cliente.

Comparte tu red y permite a otros dispositivos controlar tus lámparas: Casambi tiene cuatro niveles diferentes para compartir y controlar el acceso a tu red. Puedes decidir si tu red se encuentra abierta a todo el mundo o si se necesita una contraseña para acceder a ella. En caso de que varios usuarios/dispositivos estén utilizando la misma red, todos los cambios realizados con un solo dispositivo se actualizarán automáticamente en los demás dispositivos a través del servidor en la nube Casambi.

CONTROL OPTIONS CONTROLADORES

KIT MULTICANAL (DALI ITEMS)		SIZE (mm)	SIGNAL (RF)	CODE	FUNCION
REMOTE CONTROL MULTICANAL		120x55x17		XCONTROL001	<p>By installing our DALI receiver, we can control our DALI luminaire with this multi-channel remote control; it can control 4 groups of up to 50 luminaires per group and individually. It also has 3 memory positions capable of storing different configurations between groups. This option does not require an additional installation; that is, we can use a 2 wires standard on / off installation. The receiver is responsible for generating the DALI bus. Also, the item can be controlled by a push switch by adding an extra wire. Please use one receiver per item.</p> <p><i>Instalando nuestro receptor DALI, podemos controlar nuestras luminarias DALI con este mando multicanal; este mando puede controlar 4 grupos de hasta 50 luminarias por canal y de manera individual. También dispone de 3 posiciones de memoria capaz de almacenar distintas configuraciones entre grupos. No se requiere una instalación adicional; es decir que podemos usar una instalación on/off estándar de dos cables; el receptor se encarga de generar el bus DALI. También se podrá controlar la luminaria desde un pulsador haciéndole llegar un cable extra a la luminaria. Se necesita un receptor por cada luminaria.</i></p>
RECEIVER DALI/PUSH		76,5x51x25		XDRVPART008	
KIT MONOCANAL (DALI ITEMS)		SIZE (mm)	SIGNAL RF	CODE	FUNCION
REMOTE CONTROL MONOCANAL		141x35x8,5		XCONTROL002	<p>By installing our DALI receiver, we can control our DALI luminaires with this mono channel remote control. This option does not require an additional installation; that is, we can use a 2 wires standard on / off installation. The receiver is responsible for generating the DALI bus. Also, the item can be controlled by a push switch by adding an extra wire. Please use one receiver per item.</p> <p><i>Instalando nuestro receptor DALI, podemos controlar nuestra luminarias DALI con este mando mono canal. Your Lighting Company

Toda la información en este catálogo sirve simplemente como una indicación y no es vinculante para la empresa. La empresa se reserva el derecho de modificar o variar los productos para mejoras técnicas o estéticas sin previo aviso. Las marcas y los logotipos pertenecen a sus legítimos propietarios.

Tutte le informazioni presenti in questo catalogo sono soltanto indicative e non sono vincolanti per l'azienda. La società si riserva il diritto di modificare o effettuare variazioni sui prodotti per miglioramenti tecnici o estetici senza preavviso. I marchi e i loghi appartengono ai legittimi proprietari.

All information in this catalogue merely serves as an indication and it is not binding for the company. The company reserves the right to modify any contents or information, even without prior notice. Brand names and logos belong to their legitimate owners.

Toutes les informations contenues dans ces catalogues ont une valeur indicative, et ne s'entendent pas contraignantes pour l'entreprise. La société se réserve le droit de modifier tout contenu ou information, en y apportant des améliorations techniques et visuelles, y compris sans communication préalable. Les marques et logos sont propriété de leurs dépositaires légitimes.

Alle Angaben in diesem Katalog dienen lediglich als Hinweis und sind für das Unternehmen nicht verbindlich. Das Unternehmen behält sich das Recht vor, Inhalte oder Informationen auch ohne vorherige Ankündigung zu ändern, um technische oder ästhetische Verbesserungen zu erreichen. Markennamen und Logos gehören ihren rechtmäßigen Eigentümern.

Los diseños que contiene este catálogo de la empresa española con CIF B96498233, están registrados y protegidos por la Ley de Protección de Diseño Industrial. All designs included in this catalogue from the Spanish Company with CIF B96498233, being registered and protected by the Industrial Design Protection Law.
